Holyoke History Room News and Upcoming Events

The Holyoke History Room collection continues to grow. We have recently finished processing the Blanche Cavanaugh Historic Postcard Collection, with more than 800 items.

from the History Room's historic postcard collection

Other additions this year include dozens of photographs of the National Blank Book Social Club and Club 15 from the 1950s and 1960s, a copy of the legal briefs in "VECINOS DE BARRIO UNO, ET AL. vs. THE CITY OF HOLYOKE" (1995), and a small number of Holyoke Catholic yearbooks.

At the top of our wish list: to assemble a full set of Holyoke parochial school yearbooks! Please let us know if you have one to donate.

Upcoming Events:

Starting January 15 and every THIRD TUESDAY through the Spring: Drop in Genealogy with Hillary Schau in the Computer Classroom, 5:00 – 7:30 PM. Get tips for breaking through brick walls and compare notes with other researchers. We hope to schedule some guest experts for these evenings in addition to Hillary.

The Mysteries of DNA Explained, with Dave Robison. Saturdays, February 23 and March 2, 10:00AM – 12:00PM. Join us as Dave Robison walks us step-by-step through the process of getting and using DNA test results for genealogy, exploring its advantages and limitations. Come to one or both sessions. Pre-registration will open in January (call the History Room: 413-420-8107).

THE LIBRARY WAS AWARDED A GRANT!

Recently, Teen Librarian, Rachel Dowd, applied for and was awarded a grant from the **Rhyme and Reason Fund, a Donor Advised Fund of Boston Foundation**. With the help of this Grant, the Teen room will be able to implement the *Summer Mural project* and create a *Teen Advisory Group*. President's Letter

roxann Callender , HPL Board President

It is with great sadness that the Holyoke Library Board of Directors announces the passing of past Board President Stephen "Terry" Plum.

Terry Plum, 30 December 1947 - 10 December 2018

*Kind, wise, sweet, witty
- outstanding husband and father
Remember him by being
good to each other,
taking a long walk, and reading a book
you borrowed from the library!
- Sydney Plum*

Terry and I first met at a fund raiser for our current mayor, then shortly afterwards again when I joined the HPL Board. He always treated everyone with dignity and respect. His appreciation for my interest in getting to know my community through HPL board involvement was clear and helped with my transition onto the board. His wisdom, calm & level ways of conducting business on the board was much appreciated. I will always remember his considerate manner in situations, even when others opinions differed.

Terry, once told me he enjoyed cocktail party events and often included the board in such at his home. He will be missed by all for his generous friendly spirit.

Sincerely,
roxann Callender

Teen Room News

Rachel Dowd, *Teen Librarian*

In October, teens had the chance to **paint decorative pumpkins** with their friends. The teens brought their creativity, and truly made these pumpkins their own.

Happy Teens working on their pumpkins!

The library hosted a **free 4H Babysitters Training Course** over the course of two Saturdays in November. The class had a huge turnout, and youth learned how to start their own babysitting business and keep children safe and entertained, among other things. Due to popularity and a wait list, we are hoping to offer the course again in the Spring.

Iohann Vega from **Radioplasma Recording Studio**, recently brought a portable recording set up to the Teen Room! Teens had a blast singing their favorite karaoke songs.
