April 2021

Welcome New staff!

Nancy Kocsmiersky, Development Office

In January, the library welcomed a new Computer IT Manager, Carlos Vicenty. He jumped right in to learn from his predecessor and to help the library staff and patrons with our technology issues.

Welcome Carlos!

Goodbye to our friends!

The library has lost two very hard working and helpful staff members.

Jose Figueroa - Computer IT Manager.

“I can't thank Jose enough for being our champion and jumping in when the library opened in 2013 with new technology and no IT staff. He saw the needs and went right to finding the solutions...and now, as he prepares for new endeavors, he is still thinking of the library's well being in that he is making sure that once he leaves us, the library will be in good hands. Thank you Jose. Please note that your work has not gone unnoticed and you are appreciated more than words can say.”

- Maria Pagan, Director
