January 2021

Thank You!

Nancy Kocsmiersky, Development Office

No one succeeds alone.

2020 has reminded us how much
we all need each other
even if it can only be virtually.

The library could not sustain their programming and
their online offerings without the generosity of our
Donors both big and small.

**We are very grateful for you,
our patrons and donors!**

You keep us going!

Holyoke Library sponsors musical Event

Aguinaldo a la Banda Allá is a holiday celebration of the Puerto Rican culture in Massachusetts and Puerto Rico sponsored by the Holyoke library among many other local organizations. Artists from both areas came together to sing and dance, led by Puerto Rican star, @Silverio Pérez. Because while we may be physically distant, music unites us all. The event was streamed via Facebook Live on Friday, December 18th.

¡Aguinaldo a la Banda Allá! ¡Un regalo musical de @Silverio Pérez a sus amistades lindas en Holyoke, Boston, y es más, en todo Massachusetts! El evento se transmitió a través de Facebook Live el viernes 18 de diciembre a desde la página de @Ágora Cultural Architects (@culturalagora) y los colaboradores del evento.

150th Anniversary Continues into 2021!

When 2020 started, The Holyoke Library had great plans for our 150th Anniversary and goals we wanted to accomplish. Then, as we all know, our world was hit with COVID-19. We were told to stay inside and the library was closed with patrons only able to use our services remotely.

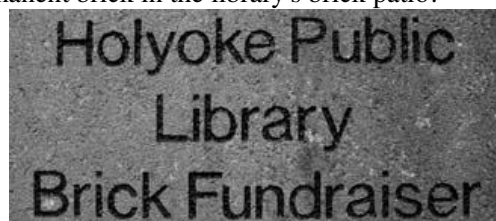

**Now, 2020 is finally over
but the Celebration continues!**

We are working on creating a couple of activities to replace our celebrations for the library's 150th year of service to the community. We will keep you updated on our activities and hope that you can join us whether it's virtually or hopefully in person! Thank you for your continued use and patronage of the Holyoke Public Library.

Eileen Crosby, *Archivist*

New Virtual Projects: History Room Staff and Volunteers have been working behind the scenes on two major online local history projects. These will begin to roll out in January, 2021, and continue into the spring:

“Claiming Place: Preserving the history of Puerto Rican and Latino Culture and Politics in Western Massachusetts through digitization of the Vecinos/Neighbors and La Familia Hispana, Inc. video collections.”

This project represents a critical step forward in preserving and providing access to sources on Holyoke’s Puerto Rican and Latino history. Many of the digitized videos will be available on the History Room’s YouTube Channel. See a preview of the project here:

Beware of Phone Scammers!

Millions of Americans, including the Holyoke library have been the victims of a new phone scam and it's increasing every year. It's called spoofing.

Spoofing is when a caller deliberately falsifies the information transmitted to your caller ID display to disguise their identity. Scammers often use neighbor spoofing so it appears that an incoming call is coming from a local number, or from a company or a government agency like the Holyoke Library that you may already know and trust.

If you think you've been the victim of a spoofing scam, you can [file a complaint with the FCC](#). Check out this info from the FCC has on how to deal with scams like [Caller ID Spoofing](#).
