"A PEDDLER'S PACK OF SPOOKY TALES FROM HILL AND VALLEY: VINTAGE STORIES FROM YOUR GRANDPARENTS FIRESIDE"

Our story teller- Dennis D. Picard has been a museum professional in the living history field for forty years. He began his career in 1978 at *Old Sturbridge Village* and spent twelve years filling various positions including lead interpreter, where he researched and designed many public programs which are still offered by that institution today. He recently retired after 27 years at *Storrowton Village Museum*, in West Springfield.

While researching in town records, journals, and old newspapers Dennis was surprised at finding stories of the supernatural. Tales of witches, vampires and weird occurrences are mixed in with otherwise mundane daily records. Picard has saved these stories in his files and will share some of his favorites.
