Meet our New Security Team!

Meet our new security team from [Orion Protective Services](#).

Conozca a nuestro nuevo equipo de seguridad de Orion Protective Services

The Holyoke Public Library has added full time security guards during all library hours. This, in addition to the continued enforcement of our policies and procedures, will add to the safe space created for library visitors, employees and volunteers. If you haven't visited us in a while, now is the perfect time.

Say Hi to Josh!

Hello my name is Joshua, I go by Josh. I've been doing security for a little over two years. I am responsible for keeping the library and all of its employees and patrons safe. I'm also responsible for making sure this is a drug and smoke free zone. Previously I worked in retail for a little over ten years mainly sales and customer service so you could say I am a very patient person. My hobbies include spending time with my kids working out or just hitting the range for a few hours. I love working here at the Holyoke library. All of the employees have been so welcoming and kind. The energy here is just amazing

Say Hi to Nick!

Nick is our evening and weekend Security guard.

Thank you both for your diligent work in keeping the library and park safe.

Goodbye Carlos, Thank you!

The library is sad to announce that as of September 30th, **Carlos Vicenty, our Computer Coordinator** has left the library to move forward in his career. Carlos came to the library and helped set up computer classes, maintained our computer lab, the computers in other departments and just recently managed the setup of our new, organized and streamlined website.

His strong work ethic, patience and kindness was greatly appreciated. He will be missed by the patrons and his fellow staff members!

Carlos wrote,

"It has been an absolute honor and pleasure working with the Holyoke Public Library and the community of Holyoke at large. Connecting with others and helping them find solutions to at least some of their problems is great, and seeing the knowledge to overcome those obstacles take root is even better. From the library, its staff, and to the patrons of Holyoke and beyond, I look forward to see how they will all grow and enrich one another in the years to come! I'll be cheesy and end off with a quote:

'Goodbye may seem forever, farewell is like the end, but in my heart is a memory and there you'll always be.' — The Fox and the Hound

We wish Carlos
All of the best in his future endeavors!
